[The Gossip Diet](#)

Gossip can test boundaries, share feelings, opinions, and information, and create social bonds. It also can destroy reputations and careers, distort data, undermine legitimate workplace initiatives, and bully, intimidate, and vilify. A common complaint in many workplaces, yet so many...[Continue reading](#) →

[The Necessity of Joy](#)

Joy allows healing, because it removes the stress of grief and pain. Joy displaces anger, because in the joyful

moment, we grab the hand of our enemy so they can join us in the dance. How do we model Joy for the people we love? Joy, that over-the-edge state of physical, emotional, intellectual...[Continue reading →](#)

50 Education Technology Tools Every Teacher Should Know About by [GDC Team](#)

Yet as with anything related to technology, new tools are hitting the market constantly and older ones rising to prominence, broadening their scope, or just adding new features that make them better matches for education, which can make it hard to keep up with the newest and most useful tools even for the most...[Continue reading →](#)

[Creating Standards For Consistently Excellent Library Customer Service](#)

Deciding to offer great library customer service is not enough. Create concrete goals based on the responses of the customers themselves: Do they say good things about you? Come back? If so, is it because of how they were treated, the expertise of your staff, the quality... [Continue reading →](#)

[Quick And Cheap Strategic Planning For The Library](#)

Strategic planning for your library should not cause despair. A simple five-step model, which uses everyday

words and immediately identifies who is accountable for each result, works especially well for smaller libraries, where strategic planning for... [Continue reading →](#)

What We Take For Granted In The 21st Century by [Pat Wagner](#)

- 1.** Connect with clients and vendors in minutes, for pennies—even internationally.
- 2.** Store libraries of papers, books, videos, and music, in an object smaller than a cereal box.
- 3.** Search and retrieve information across the globe.
- 4.** Schedule and hold meetings, pay bills, order supplies and equipment, sign contracts, no matter where you are.
