Communication Mistakes Only Really Really Smart or Bust People Make

Intelligent busy people sometimes cut corners when it comes to workplace relationships. Are you a degreed professional, devoted scholar and researcher, or just a superior smart cookie? You might have been rewarded for brilliant ideas, big grants, and amazing...[Continue reading →](#)

What Successful People Do

Have a written plan; refer to it often.

Focus their efforts on one thing.

Delay gratification; keep on track.

Build and maintain a great team.

Practice thrift; save and invest.

Cultivate mentors; listen and learn.

Earn trust and respect; keep promises.

[How Six Teaching Models Can Benefit You and Your Students](#)

Inspired by the work of Elliot Eisner (Conflicting Conceptions of Curriculum, 1974), we can understand our choices as teachers and trainers as representing different sets of beliefs and values. The five (plus one) orientations that Eisner describes can explain some of the conflicts among...[Continue reading →](#)

[Engaging Library Outreach to Underserved Communities](#)

Your library's underserved communities could include groups of people who share the same age range, ethnicity, gender, level of education, socioeconomic status, or where they live in your community. Once you have identified who you need to ...[Continue reading](#) →

Three Lies to Eliminate to Start Living up to Your Potential

Not that I didn't get any results from chanting "You are so not living up to your full potential!" while getting out of bed, driving to work, doing the dishes, and combing my hair. Any time was a great time to remind myself. So I didn't waste a...[Continue reading](#) →
