

"Every day you may make progress. Every step may be fruitful. Yet there will stretch out before you an ever-lengthening, ever-ascending, ever-improving path. You know you will never get to the end of the journey. But this, so far from discouraging, only adds to the joy and glory of the climb."

Winston S. Churchill

Intro to The Iron Triangle: Quality, Resources, and Time Constraints

Do you want it Good, Cheap, or Fast? Pick two. The so-called Project Management or Iron Triangle establishes three sets of parameters for projects and enterprises. The Triangle helps keep teams aligned and on track, even while making decisions on...[Continue reading →](#)

New Career Paths

Change arrives in ways that are unexpected. A secretary become a psychotherapist, a factory worker becomes an artist, a meteorologist becomes a pathologist, a librarian becomes a minister, and a geologist becomes a governor. Never assume your world will stay the same. Prepare: Keep asking yourself "what if" as a start.

[Intro to Diagnosing and Fixing Technology](#)

Has an entire generation forgotten how to analyze a concrete problem, fix broken machines, adjust a recipe, or create workarounds for damaged equipment? The same principles apply to hardware, software, peripherals, and the Cloud, as well as copiers, cameras, lighting equipment, toasters...[Continue reading](#) →

[Visit the Siera Calendar for 2016](#)

Looking for a live webinar or in-person program on a particular date? Curious what training topics and formats are popular? Checking out where we are going to be in coming months? The Siera calendar provides information and inspiration for educators and adult learners. Updated weekly...([See calendar](#))

Freelance Success Doesn't Require a Projector - By [Meredith Myers](#) | June 24, 2016

Attention all librarians and conference planners: Do not offer Pat Wagner a projector for her presentations. She doesn't want it, nor does she need it. The woman can captivate a room for hours with only the sound of her voice and...[Continue reading](#)→

[Engaging Library Outreach to Underserved Communities](#)

A captive audience for your classes in and for your library does not guarantee success. Engaging participants with adult education principles fosters better acceptance, retention, and application of ideas and methods. Learn the benefits of...[Continue reading](#) →

[The Discovery Cycle](#)

A Model for Career Development/Change

To a large extent, moving forward in your career and life is about learning from your experiences and overcoming obstacles so you can strive to create the future you want. The good news is you can learn these skills. One model you ...[Continue reading](#)→
